

Fall Creek Elementary

Enter door H24 for "Welcome to Kindergarten"

Dear Parents of Incoming Kindergarten Students
(NOT currently enrolled in 4K at Fall Creek)

When: Wednesday, Feb 28, 2024
4pm to 5pm
Where: High School Commons

We are busy getting ready for the next school year. It is important for our planning process to get a count of the children who will be attending Kindergarten in the fall. Please complete your child's enrollment before **Thursday, March 7, 2024**. This helps us determine how many classes we will have and help us get the information back to you in a timely manner.

Online enrollment is open!!!

To enroll your child, please complete the online enrollment forms. They can be found on the Elementary School page of the district's website at www.fallcreek.k12.wi.us. If you do not have access to a computer, there are Chromebooks in the elementary office to use. If you would like to come to the school to use a Chromebook, please call the office to set up a time.

The following information needs to be brought to the Elementary Office **AFTER** you enroll online to complete your child's registration:

- Your child's original birth certificate (we do not keep)
- Proof of Address
- Copy of Immunizations
- Other important documents (IEP, 504 plan, court documents, etc)

Our "Welcome to Kindergarten" night will be **Wednesday, February 28th from 4pm - 5pm**. Please join us to meet the teachers, see the classrooms, talk about what Kindergarten will look like, and finish paperwork. If you did not get a chance to bring the above listed forms to the office, please bring them to the Kindergarten evening to finish the enrollment process. No child will be placed in a class without providing the necessary paperwork. If you are unable to make it to the open house, please bring the above listed form to the Fall Creek Elementary School Office (Door M6) before March 7.

We look forward to having your child join us for a great year! Please contact Mrs. Callahan at 715-877-1021 or valeriecallahan@fallcreek.k12.wi.us if you have any questions regarding enrollment.

Sincerely,

Ashley Mason
Elementary School Principal
