

SCHOOL DISTRICT of FALL CREEK

336 E. Hoover Ave. • Fall Creek, WI 54742 • (715) 877-2123

The Fall Creek School Board has adopted the Common Core Standards for Mathematics and English Language Arts, including the Standards for Literacy in all Subjects. These standards are in effect in the 2023-2024 school year.

In addition, the School Board has adopted the Wisconsin Academic Standards for use in the following content areas in the 2023-2024 school year:

Art and Design Education	Marketing, Management and Entrepreneurship	Business and Information Technology
Music Education	Science*	Early Learning Standards
Personal Finance Literacy	Social Studies	Health Education
Physical Education	Technology and Engineering	Health Science
Reading	World Languages	Information and Technology Literacy

Science will be using Next Generation Science Standards (NGSC).

School Counseling will be using ASCA Standards.

Links to the various content area standards are available for review at <https://dpi.wi.gov/standards> and the various content areas are listed in the chart. Content areas that are not currently included in the School District of Fall Creek curricular offerings are not included in the chart.

The Wisconsin Academic Standards specify what students should know and be able to do in the classroom. They serve as goals for teaching and learning. Setting high standards enables students, parents, educators, and citizens to know what students should have learned at a given point in time. Clear statements about what students must know and be able to do are essential to ensure that our schools offer opportunities to acquire the knowledge and skills necessary for success.
