

**2009 Wisconsin Act 96
Indoor Environmental Quality Management Plan
Fall Creek School District
2019 Annual Notice**

The Fall Creek School District would like to inform staff, students, parents, and the public of the district's indoor environmental quality (IEQ) management plan. The plan was initially developed in 2013 and is reviewed as necessary. The plan was developed as deemed appropriate for the district. Questions and concerns should be directed to the IEQ Coordinator, Bryan Holman. Copies of the plan are available at the district office for a fee. The district office is located at 336 East Hoover Avenue, Fall Creek, WI 54742-9609.
