

## Fall Creek Summer School 2018

---

Welcome to the 2018 Fall Creek Summer School Program! This year our program will run in one session. The session will run Monday through Thursday from 8:00-2:30. Registration is now open; you may return registration forms and fees to the Elementary office by Friday, March 9<sup>th</sup>. Payment is accepted by cash or check written out to the Fall Creek School District. Remember to register for the grade your child will be in the fall of 2018-2019 school year. You must register if you plan on participating. If you have any questions, please contact Jodi Madden at 715-877-1024.

### **Summer School will run one session:**

Session 1: July 9<sup>th</sup>-26<sup>th</sup> (**Monday-Thursday**)

### **Transportation**

Transportation will be provided for Fall Creek School students at no cost. There will be limited bus routes. There will be specific pickup and drop-off locations for students who are interested in transportation. Bus routes will run two times a day, morning and afternoon. If you are interested in transportation, please sign up on the registration form. You will be contacted a week before summer school starts about bus pickup/drop-off points and times.

### **Breakfast/Lunch**

There will be a 30 minute supervised breakfast option from 7:30-8:00 am and an hour supervised lunch break from 11:00-12:00 each day. These meals will be served in the lunchroom. Students may bring a sack lunch or purchase breakfast/lunch provided by the school. Milk will be available for purchase as well. If you choose to participate, you will need to complete the breakfast/lunch form and return with your summer school registration along with payment.

### **Attendance**

Students are expected to stay at school and attend registered classes. Leaving school grounds will not be allowed unless special arrangements have been made with the summer school teacher.

### **Student Fees**

Class fees are listed on the registration form next to the title of the course offering. If parents would like to send their child/children to summer school but because of financial difficulties cannot do so, please contact Joe Sanfelippo at [joesanfelippo@fallcreek.k12.wi.us](mailto:joesanfelippo@fallcreek.k12.wi.us).

**Swimming** – June 18-June 29 (Monday-Friday) Children who turn 5 years old before June 1<sup>st</sup> can participate.

Swimming lessons will be held at the Augusta High School Pool Center, June 18<sup>th</sup>-29<sup>th</sup>. Each family will be responsible for their own transportation to and from swimming lessons. Registration forms were sent home on Monday, January 29<sup>th</sup>. If you wish to still sign your child up, please contact Jodi Madden at [jodimadden@fallcreek.k12.wi.us](mailto:jodimadden@fallcreek.k12.wi.us). **YOUR CHILD'S SWIM TIME IS LISTED IN THIS BOOKLET.**

**Girls' Basketball Fundamentals** Grades 2<sup>nd</sup>-9<sup>th</sup>

Participants will be taught the basic fundamental skills through drills and games.

**Boys' Basketball Fundamentals** Grades 3<sup>rd</sup>-8<sup>th</sup>

Participants will be taught the basic fundamental skills through drills and games.

**Volleyball Fundamentals** Grades 3<sup>rd</sup>-8<sup>th</sup>

Students will be instructed in the fundamental basics of volleyball skills and techniques. Students will be introduced to passing, setting, hitting, and defense.

**Summer Athletic Training** Grades 9<sup>th</sup>-12<sup>th</sup>

This opportunity is open to all students interested in improving their speed, strength, and athletic ability. This is a great way to prepare for upcoming sports seasons as well as improve your overall fitness level.

<b>Class Offerings for Session: 1    July 9<sup>th</sup>-26<sup>th</sup> Monday-Thursday</b>
--

**Specialized Reading 1 – Teacher Recommendation Only** Grades PreK-1<sup>st</sup>

Students will be working with the Visualizing and Verbalizing, L.I.P.'s, Talkies, and Literacy and Language programs to help with their understanding of letters, words, and language.

**Reading Adventures** Grades PreK-1<sup>st</sup>

This course will help students strengthen their pre-reading/reading skills and have fun at the same time. Students will work on comprehension, fluency, vocabulary, and other reading skills. This class is for skilled readers as well as readers who would like to become more successful. Students will complete projects and games that coincide with the story. The possibilities are endless! Come and enjoy the fun!

**Specialized Math 1 – Teacher Recommendation Only** Grades PreK-1<sup>st</sup>

Students will engage in hands on activities and learn new ways to understand math at their level. We will be using the Math U See program which incorporates iPads, manipulatives, and foundational skills.

**Math Magic** Grades PreK-1<sup>st</sup>

This course will allow students to practice and improve their math skills and raise their math skill level. This extended time will allow students to learn and practice new concepts or concentrate on areas in which they may need additional time for practice through card games, board games, iPad apps, dice games, and much more. Come and enjoy the fun!

**It's a Bug's Life** PreK-1<sup>st</sup>

Students will learn about bugs of their choice. We will research, read, and learn where bugs live, what they eat, and their life cycle. We will observe, create habitats, feed, and release them. We will also make fun buggy snacks.

**Craft Creations** Grades PreK-1<sup>st</sup>

Students will have fun working with a variety of mediums such as tempera paint, colored pencils, crayons, markers, sequins, fabric paint, recycled materials and much more to create unique, awesome art using different supplies and tools that you have always wanted to use!

**Specialized Reading 1 – Teacher Recommendation Only** Grades 2<sup>nd</sup>-4<sup>th</sup>

Students will be working with the Visualizing and Verbalizing, L.I.P.'s, Talkies, and Literacy and Language programs to help with their understanding of letters, words, and language.

**Cricket Reading Club** Grades 2<sup>nd</sup>-4<sup>th</sup>

This class will help students strengthen their reading skills and have fun at the same time. Students will work on comprehension, fluency, vocabulary, and other reading skills. This class is for skilled readers as well as readers who would like to become more successful. Students will engage in critical thinking skills and reflect as they read, discuss, and respond to the book. Through collaboration, students will develop a deeper understanding of what they read. Come and join the discussion.

**Specialized Math 1 – Teacher Recommendation Only** Grades 2<sup>nd</sup>-4<sup>th</sup>

Students will engage in hands on activities and learn new ways to understand math at their level. We will be using the Math U See program which incorporates iPads, manipulatives, and foundational skills.

**Math Frenzy** Grades 2<sup>nd</sup>-4<sup>th</sup>

This course will allow students to practice and improve their math skills and raise their math skill level. This extended time will allow students to learn and practice new concepts or concentrate on areas in which they may need additional time for practice through card games, board games, iPad apps, dice games, and much more. Come and enjoy the fun!

**Fun Creations 1/Fun Creations 2** Grades 2<sup>nd</sup>-4<sup>th</sup>

Technology, Cooking, Crafts, Genius Hour, and more- What do YOU want to learn about? Let's explore some fun topics together and some of your ideas.

**Summer Reading Adventures** Grades 5<sup>th</sup>-8<sup>th</sup>

This class will help students strengthen their reading skills and have fun at the same time. Students will work on comprehension, fluency, vocabulary, and other reading skills. This class is for skilled readers as well as readers who would like to become more successful. Students will engage in critical thinking skills and reflect as they read, discuss, and respond to the book. Through collaboration, students will develop a deeper understanding of what they read. Come and join the discussion.

**Math Workshop** Grades 5<sup>th</sup>-8<sup>th</sup>

This course will allow students to practice and improve their math skills and raise their math skill level. This extended time will allow students to learn and practice new concepts or concentrate on areas in

which they may need additional time for practice through card games, board games, iPad apps, dice games, and much more. Come join the fun!

**Explore and Create 1/Explore and Create 2** Grades 5<sup>th</sup>-8<sup>th</sup>

Technology, Cooking, Crafts, Genius Hour, and more- What do YOU want to learn about? Let's explore some fun topics together and some of your ideas.
