Dear Parents:

I would like to invite all students in Kindergarten & 1<sup>st</sup> Grade to join the Fall Creek Elementary School Shoe Tying Club. If your child is able to tie their shoes three consecutive times without your help, then they are ready to join the club. Your student just needs to cut out the shoe below, color it, and put their name on it. They can bring it back to school to Phy.Ed. class, show me they can tie their shoes three times, and we will put their shoe up in the gym.

Thank you for your time,

Jason Martzke
