Now write your opinions in 2-3 sentences.

1. How has the Latino movement influenced your life in Fall Creek?

2. What was one thing that you learned that really surprised you about Latinos? Why was it so surprising?

3. What was the one topic you knew the most about? How did you learn about this?

4. Can you think of any other areas where Latinos or Hispanics have influenced life in the U. S.? If so, describe the areas here. If not, how large of an influence do you think the topics in the movie have on most people in the U. S.?

5. Finally, if you could live in one of the areas mentioned in the movie with high Latino populations, where would you live? Why?
