

Una actividad de la comida

You and a partner are going to make a poster about food in a Spanish-speaking country. Pick a country that you have an interest in.

Necesitan incluir:

1. Four pictures of four typical dishes in your country, the name of the dish, and a short description of them
2. 2 recipes printed out (separate, not on the poster)
3. One page/a few paragraphs about the food in your country. What meat is popular, what fruits are eaten, what spices may be used, are there influences from other countries, etc. This must be at least 100 words in English. Please do not copy and paste.
4. One holiday, a short summary of how it is celebrated and a traditional dish that goes with the holiday (see me if you are having trouble with this)
5. Two restaurants, where they are located in your country, and a menu or main dish from each restaurant (what type of food is the restaurant known for). Please do not pick restaurants that we have here like McDonald's.
