****APRIL PLAN: Spring Cleaning! Polishing Up Behaviors****

Review/Reteach:

- Classroom teachers will review the rules for the classroom and the playground with individual classes.
- Classrooms will be in charge of identifying a problem behavior individually that they need to "polish" up. (ex. defiance, disruptions)
- Our school will be "polishing" up the playground expectations (to ease ODRs from transition times.)

Positive Acknowledgement:

- Please distribute Cricket Caughtcha's to EXCEPTIONAL behaviors in the classroom or the playground.
