

# SCHOOL DISTRICT *of* FALL CREEK

336 E. Hoover Ave. • Fall Creek, WI 54742 • (715) 877-2123

The Fall Creek School Board has adopted the Common Core Standards for Mathematics and English Language Arts, including the Standards for Literacy in all Subjects. These standards are in effect in the 2017-2018 school year.

In addition, the School Board has adopted the Wisconsin Academic Standards for use in the following content areas in the 2017-2018 school year:

|                           |  |                                     |
|---------------------------|--|-------------------------------------|
| Art and Design Education  | Marketing, Management and Entrepreneurship | Business and Information Technology |
| Music Education           | Science*                                   | Early Learning Standards            |
| Personal Finance Literacy | Social Studies                             | Health Education                    |
| Physical Education        | Technology and Engineering                 | Health Science                      |
| Reading                   | World Languages                            | Information and Technology Literacy |

Science will be using Next Generation Science Standards (NGSC).

School Counseling will be using ASCA Standards.

Links to the various content area standards are available for review at <http://dpi.wi.gov/standards> and the various content areas are listed in the chart. Content areas that are not currently included in the School District of Fall Creek curricular offerings are not included in the chart.

The Wisconsin Academic Standards specify what students should know and be able to do in the classroom. They serve as goals for teaching and learning. Setting high standards enables students, parents, educators, and citizens to know what students should have learned at a given point in time. Clear statements about what students must know and be able to do are essential to ensure that our schools offer opportunities to acquire the knowledge and skills necessary for success.
