

Fall Creek Summer School 2024

WHEN: July 8th-August 2nd

WHERE: Pickup/Drop off - Entrance M6 (Elementary/Middle School Entrance)

WHO: Students Entering GRADES 1st-8th Grade

Welcome to the 2024 Fall Creek Summer School Program! This year our program will run four weeks long, Monday through Friday, from 8:00 AM -2:30 PM. Registration is now open; please complete the online registration by Friday, March 8th. Remember to register for the grade your child will be in the fall of 2024-2025 school year. You must register if you plan on participating. If you have any questions or can't complete the online registration process, please contact Jodi Madden at 715-877-1024.

PLEASE KEEP THIS SUMMER SCHOOL BOOKLET TO REFER BACK

Summer School Dates: July 8th-August 2nd (**Monday-Friday**)

Your child's classes with room number and teacher will be posted on door **M6** (Elementary/Middle School Entrance) the first day of summer school.

Transportation

Transportation will be provided for Fall Creek School students at no cost. There will be limited bus routes. There will be specific pickup and drop-off locations for students who are interested in transportation. Bus routes will run two times a day, morning and afternoon. If you are interested in transportation, please sign up on the registration form. You will be contacted a week or so before summer school starts about bus pickup/drop-off points and times.

Pickup/Drop-Off Please use entrance **M6** (Elementary/Middle School Entrance)

Breakfast/Lunch

There will be a 30-minute supervised breakfast option from 7:30-8:00 AM and a 30-minute supervised lunch break from 11:00-11:30 AM each day. These meals will be served in the lunchroom. Students may bring a cold lunch or purchase breakfast/lunch provided by the school. Milk will be available for purchase as well. If you are interested in breakfast or lunch please select yes on the registration form. Dining service will contact you closer to summer school with a menu.

Attendance

Students are expected to stay at school and attend registered classes. Leaving school grounds will not be allowed unless special arrangements have been made with the summer school teacher.

Class Offerings July 8th-August 2nd Monday-Friday

Reading Adventures Grades 1st–8th Grade

This class will help students strengthen their reading skills and have fun at the same time. Students will work on comprehension, fluency, vocabulary, and other reading skills. This class is for skilled readers as well as readers who would like to become more successful. Students will engage in critical thinking skills and reflect as they read, discuss, and respond to the book. Through collaboration, students will develop a deeper understanding of what they read. Come and join the discussion.

Math Workshop Grades 1st–8th Grade

This course will allow students to practice and improve their math skills and raise their math skill level. This extended time will allow students to learn and practice new concepts or concentrate on areas in which they may need additional time for practice through card games, board games, dice games, and much more.
