

Fall Creek Summer School 2020

Welcome to the 2020 Fall Creek Summer School Program! This year our program will run in one session. The session will run Monday through Thursday from 8:00-2:30. Registration is now open; you may return registration forms and fees to the Elementary office by Friday, March 20nd. Payment is accepted by cash or check written out to the Fall Creek School District. Remember to register for the grade your child will be in the fall of 2020-2021 school year. You must register if you plan on participating. If you have any questions, please contact Jodi Madden at 715-877-1024.

PLEASE KEEP THIS SUMMER SCHOOL BOOKLET FOR YOUR RECORDS

Summer School will run one session:

Session 1: July 6th-July 30th (Monday-Thursday)

Class Lists, including teacher name and room number, will be posted on the bulletin board in entrance area M6.

Transportation

Transportation will be provided for Fall Creek School students at no cost. There will be limited bus routes. There will be specific pickup and drop-off locations for students who are interested in transportation. Bus routes will run two times a day, morning and afternoon. If you are interested in transportation, please sign up on the registration form. You will be contacted a week before summer school starts about bus pickup/drop-off points and times.

Pickup/Drop Off

Please use entrance M6 (Middle School/Elementary Office Entrance)

Breakfast/Lunch

There will be a 30-minute supervised breakfast option from 7:30-8:00 am and an hour supervised lunch break from 11:00-12:00 each day. These meals will be served in the lunchroom. Students may bring a sack lunch or purchase breakfast/lunch provided by the school. Milk will be available for purchase as well. If you choose to participate, you will need to complete the breakfast/lunch form and return with your summer school registration along with payment.

Attendance

Students are expected to stay at school and attend registered classes. Leaving school grounds will not be allowed unless special arrangements have been made with the summer school teacher.

Student Fees

Class fees are listed on the registration form next to the title of the course offering. If parents would like to send their child/children to summer school but because of financial difficulties cannot do so, please contact Joe Sanfelippo at joesanfelippo@fallcreek.k12.wi.us.

Swimming — June 22-July 2 (Monday-Friday first week, Monday – Thursday second week)

Children who turn 5 years old before June 1st can participate.

Swimming lessons will be held at the Augusta High School Pool Center, June 22th-July 2. Each family will be responsible for their own transportation to and from swimming lessons. Registration forms were sent home on Monday, February 4th. If you wish to still sign your child up, please contact Jodi Madden at jodimadden@fallcreek.k12.wi.us. **YOUR CHILD'S SWIM TIME IS LISTED IN THIS BOOKLET.**

Volleyball Fundamentals Grades 3rd-8th

Students will be taught the fundamental basics of volleyball skills and techniques. Students will be introduced to passing, setting, hitting, and defense skills.

Basketball Fundamentals (boys and girls) Grades 2nd-9th

Students will be taught the fundamental basics of basketball skills and techniques. Students will work on dribbling, passing, shooting, and defense skills.

Basketball Skill Development Grades 6th-12th

Participants will work on fundamental skill development through drills and games.

Summer Athletic Training Grades 6th-12th

This opportunity is open to all students interested in improving their speed, strength, and athletic ability. This is a great way to prepare for upcoming sports seasons as well as improve your overall fitness level.

Class Offerings for Session: 1 July 6th-July 30th Monday-Friday
--

Reading Adventures Grades PreK-1st

This course will help students strengthen their pre-reading/reading skills and have fun at the same time. Students will work on comprehension, fluency, vocabulary, and other reading skills. This class is for skilled readers as well as readers who would like to become more successful. Students will complete projects and games that coincide with the story. The possibilities are endless! Come and enjoy the fun!

Math Magic Grades PreK-1st

This course will allow students to practice and improve their math skills and raise their math skill level. This extended time will allow students to learn and practice new concepts or concentrate on areas in which they may need additional time for practice through card games, board games, iPad apps, dice games, and much more. Come and enjoy the fun!

Summer Fun Grades PreK-1st

Students will practice reading, writing, and math skills through a variety of summer fun activities. Come and enjoy the fun!

Craft Creations Grades PreK-1st

Students will have fun working with a variety of mediums such as tempera paint, colored pencils, crayons, markers, sequins, fabric paint, recycled materials and much more to create unique, awesome art using different supplies and tools that you have always wanted to use!

Cricket Reading Club Grades 2nd-4th

This class will help students strengthen their reading skills and have fun at the same time. Students will work on comprehension, fluency, vocabulary, and other reading skills. This class is for skilled readers as well as readers who would like to become more successful. Students will engage in critical thinking skills and reflect as they read, discuss, and respond to the book. Through collaboration, students will develop a deeper understanding of what they read. Come and join the discussion.

Math Frenzy Grades 2nd-4th

This course will allow students to practice and improve their math skills and raise their math skill level. This extended time will allow students to learn and practice new concepts or concentrate on areas in which they may need additional time for practice through card games, board games, iPad apps, dice games, and much more. Come and enjoy the fun!

Fun Creations 1/Fun Creations 2 Grades 2nd-4th

Technology, Cooking, Crafts, Genius Hour, and more- What do YOU want to learn about? Let's explore some fun topics together and some of your ideas.
