

Information Processing Proofreading Exercise #1

The following is a correctly typed paragraph.

Some years ago a man had the idea that we should all begin our day earlier in the summer than in the winter. From this idea grew the plan of daylight saving time. The proposal to move the hands of the clock ahead in the early spring and to move them back in the fall was one of those obvious, yet daring suggestions that rarely occur to anybody.

**The following paragraph is the same as above but contains errors.
Use proofreading marks to show correction of the errors.**

Some yrs ago a man had the idae that we should all begin our day earlier in in the sum mer than in the witner. from this idea grow the pain of day light saving time
The proPosal to move the hands of the lcock ahead in the early fall and to move them back int eh spring was one of those obvous yet darling suggestions that occurs rearely to anyboday
