

Calling All Artists

The Fall Creek Elementary
is having a Community Art Show

We would like to have a community art show at the beginning of this school year to welcome back the students and remind them of all the talented artists we have in our community.

If you are a maker of any kind or have a family member, relative or know of a community member that would be willing to have their artwork on display please send this information their way. Please drop off one piece of your work on August 28th, August 29th, or August 30th during school hours (8am-3pm) to the Elementary Office. Please leave a piece of paper with artist name, artwork name, medium of your artwork, phone number, and email, as well as any specifics on how you would like it displayed. If you are unable to drop off the artwork please let me know. I would be more than willing to arrange a time to pick it up. Artwork will be on display throughout the Fall Creek Elementary building for the month of September. Please email or call Mrs. Newton with any questions.
